The FLL Core Values

- ▲ We are a team.
- ▲ We do the work to find solutions with guidance from our Coaches and Mentors.
- ▲ We know our Coaches and Mentors don't have all the answers; we learn together.
- ▲ We honor the spirit of friendly competition.
- ▲ What we discover is more important than what we win.
- ▲ We share our experiences with others.
- ▲ We display Gracious Professionalism® and Coopertition® in everything we do.
- ▲ We have fun.

Materials:

Have a list of the FLL core values handy so you can prompt team members as needed.

Instructions to the team:

Name one of the core values, and then tell me how one of your teammates embodies that value. For example, Anjali might say, "One core value is that we are a team, and Ben embodies that because he makes sure no one is left out when we make decisions."

Variations:

Have the team member explain how he or she personally embodies the core value, or how their team as a whole does.

Discussion:

Having each team member describe how a teammate embodies a core value isn't just

good practice for the speaker - it's a great way to increase team unity and build team spirit. It's easier - and more enjoyable - to work with someone when you know they appreciate you and your unique qualities too.

Make sure the team covers all the values, rather than repeating the same one over and over.
