

# A STEP AT A TIME

## Core Values Activity

By Sanjay and Arvind Seshan

### Materials:

None

### Instructions to the team:

Line up as a team. Now you have to take a step as a team - everyone stepping at the exact same time. If you don't put your feet down at the same time in a line, everyone starts over.

### Variations:

This activity can be done when multiple teams are visiting as well. Have them take multiple steps.

### Discussion:

How did the team members decide on how to complete the task? Was there one leader? How did they coordinate taking a step? How did they react to errors?
