

ILLUSTRATE THE CORE VALUES

Core Values Activity

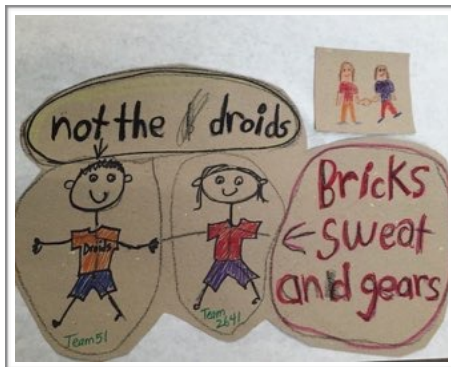

By Sanjay and Arvind Seshan

FIRST Lego League CORE Values:

- **We are a Team.**
- **We do the work to find solutions with guidance from our coaches and mentors.**
- **We honor the spirit of friendly competition.**
- **What we discover is more important than what we win.**
- **We share our experiences with others.**
- **We display gracious professionalism in everything we do.**
- **We Have Fun!**

Materials:

8 pieces of any size paper
Markers, pens,
crayons, color pencils
List of Core Values

Instructions to the team:

Pick one Core Value and illustrate it as a team. After you are done illustrating the Core Value present your poster and explain the Core Value.

Variations:

Split the team into two or more groups and have them work on the same/different Core Values at the same time. Have each group present to the other.

Repeat the activity another time with another Core Value.

This activity can be done as a large group activity with multiple teams. Make groups of 2-4 students and have each group take one Core Value.

Discussion:

Did the team explain their poster and all the elements on it? Do they understand the meaning of that Core Value? Can they show examples of what that Core Value means and how they might have demonstrated it during the season?
