

TURNING TOWELS

Core Values Activity

By www.flstartingpoint.com; hello@startingpoints.com

Materials:

Large bath or beach towel - large enough to fit the entire team

Setup:

Spread the towel flat on the floor.

Instructions to the team:

All team members must stand on the towel. Your task is to turn over the towel without anyone touching the floor (no hands, feet, or other body parts may touch the floor).

Variations:

If the task is difficult for the team, or if you have a large team, start with a sheet instead of a towel. If the team accomplishes the task quickly and easily, try a smaller towel. Does the team's strategy change? Or can they use

the same strategy, but implementation is more difficult?

Discussion:

How did the team decide on a strategy to complete this task? Was there one team leader or not?
